Subject: Pending Gun Legislation: SB650 & HB6848

For over 50 years I have been a gun owner and hunter. Over this time span I have witnessed many pieces of gun control legislation become law. A fair number have struck me as good common sense and the right thing to do. Having said that, I find the legislation proposed in SB650 and HB6848 ill-conceived with the potential of eliminating due process for those who would be affected by it. These bills rank worse than the Massachusetts "firearm ID law" and its mandatory one year jail sentence if found with a firearm without the ID card. The law seemed okay until a grandmother was nailed by it. I ask you to please drop these bills and, if so needed, create ones that make sense.
